

VIETNAM VETERANS MEMORIAL FUND

To Whom It May Concern:

On behalf of the Vietnam Veterans Memorial Fund, I am happy to recommend Tenley Westbrook. She has an excellent voice and is a real crowd pleaser. She sang for us in the 2011 Memorial Day Observance at the Vietnam Veterans Memorial. She had a high level of professionalism, enthusiasm, talent and rapport. Her tribute "Our Freedom Song" is touching for all veterans to hear.

Freedom Song Foundation, the non-profit organization that she founded, encourages the troops and their families through the donation of thousands of "Our Freedom Song" CDs, and through events such as "Tenley Westbrook's Christmas for the Troops" a global webcast which was viewed by many members of the military and their families in Afghanistan, Iraq and all around the world.

I am happy to encourage other Military Officials and Directors of National/State Parks, Memorials, and Cemeteries to invite Tenley to perform for their official events.

Regards,
