To Whom It May Concern:

I recently had the pleasure of meeting a very talented young woman, Ms. Tenley Westbrook, who sang during our annual Commander's Call/Holiday Celebration for our entire Air Refueling Wing organization. She was undoubtedly a big hit and really "Wowed" the crowd with her rendition of her personal hit "Our Freedom Song." In addition, she performed during the New Hampshire National Guard full-time Holiday Celebration event where she was a hit as well.

I had the opportunity to chat with Tenley, learning of her involvement in a host of activities throughout the state and nation oriented toward "entertaining the troops" during their deployments to and from overseas assignments. She is also very active in the local community, enthusiastically engaging in a variety of community events geared toward helping and inspiring others.

Tenley is a very energetic and passionate entertainer who exudes a real desire to tour with an organization such as the USO. I wholeheartedly endorse her participation in such a venue, a true team player who could certainly help lift the spirits of our troops in deployed locations.

Sincerely,

A handwritten signature in cursive script that reads "Mark F. Sears".
